

BETA BLURB

UPDATES FROM OUR MEMBERS IN THE DKG BETA CHAPTER
VERMONT

A mini-newsletter of what we've been up to lately!

Dear Beta Chapter members,

Welcome back to another year as members of Delta Kappa Gamma, Beta Chapter! I hope you had a lovely summer doing many of the things you enjoy! I hadn't gone to a wedding in a few years. This summer I went to two weddings which were both so special; one in Virginia Beach and the other in Connecticut. I had my 6 year old granddaughter visit for 6 weeks this summer. What a blast! We took her to Story Land and Clark's Bears. I think I had as much fun as she did, maybe even more! It was just a nice break from last school year. Let's plan on each person giving the highlights of their summer at our gathering. It is so great to share what is special in our lives.

We will be holding our first meeting next Wednesday, 9/14, at 4:00 at Karen's house in Brattleboro. Please bring a dish

to share for our Potluck dinner. We will also have the pleasure of inducting our new member, Deb Hall! Deb is a retired Academy School teacher. Welcome Deb!

For those members not able to attend in person, we will invite you to be with us on Zoom.

We have a busy year ahead of us with our meeting dates set. We will be planning for Beta to host the Spring 2023 DKG VT Convention in Brattleboro! YAY! It will be fun working together to make this the best convention!

I am looking forward to seeing everyone next Wednesday.

All best wishes,
Rita
