

## DKG Vermont Years of Service Award

The Years of Service award is given based on 5 year increments. The award is given for each five years of service the member gives to DKG Vermont. The first award would go for 5 years of service in DKG Vermont then 10, 15, 20 . . . It would be the chair of the Years of Service Award committee's responsibility to tabulate the number of years each DKG Vermont member has and to make the certificates to give to the members who have reached these 5 year increments at the Spring Convention each year.

Sally Kalinoski, Chair of Years of Service Award
