

DKGIEF Grant award to DKG VT ETA Chapter “COOKS FOR THE COMMUNITY” Project

February 16, 2023

DKG VT ETA Chapter “COOKS FOR THE COMMUNITY” Project Held at Mount Anthony Union Middle School Bennington, VT

FORTY Bennington area families signed up for ETA Chapter's first **“Cooks For The Community”** event. We made Eggplant and Spinach Lasagna. After learning how to make Eggplant and Spinach Lasagna, we all got to eat this DELICIOUS meal! The photos show the Stark Family learning how to prepare this meal. At the end of this event 6 families entered a raffle to win a Crockpot or Air Fryer, and the Stark family won a crockpot!

This was a delicious, healthy eating event and it was fun, too! **THANK YOU** to **ETA Chapter Members Hayley Grossman and Lisa Flynn** for proposing this DKGIEF Grant and being the key people making it happen! Thank you to the **ABBAY GROUP** in the Southwest Vermont Supervisory Union for teaching us how to prepare this meal and for packing the **FAMILY TAKE HOME FOOD and UTENSILS Bags** that were given to each family.

Our next **DKG VT ETA Chapter “COOKS FOR THE COMMUNITY”** Project is planned for April 13, 2023. More details will be shared as this event is planned.

DKGIEF - Delta Kappa Gamma International Educational Fund
The Delta Kappa Gamma Society International promotes professional and personal growth of women educators and excellence in education.
